

Bowling Green City Council Passes Ordinance to Create New Gateway District, Zoning Code Revision of New District Led by Calfee Zoning

IN THE NEWS

BG Independent News and *Sentinel-Tribune* (Bowling Green, Ohio)

07.20.2020

On Monday, July 20, 2020, Bowling Green (Ohio) City Council voted unanimously to establish a Gateway District, connecting the Bowling Green University campus to downtown. The details of the development of Bowling Green's new Gateway District were recently discussed in two local news articles. Calfee Zoning is pleased to be leading the initiative to revise zoning codes to promote this development project in Bowling Green.
