

Sean Suder Shares His Take on Amazon's "Shortlist" of HQ2 Locations

01.19.2018

Sean Suder, Lead Principal of Calfee Zoning, authored a LinkedIn article sharing his take on Amazon's release of a "shortlist" of locations to build their second headquarters. Five of the ten most populous U.S. cities made Amazon's list, showing that size could be a factor for Amazon. Read the full article.
